“Quote” of the week

"A man can no more diminish God's glory by refusing to worship Him than a lunatic can put out the sun by scribbling the word 'darkness' on the walls of his cell."

Visitors, Welcome to our gathering! Join us in worship and fellowship.

In these days of social distancing, we may not hug or shake your hand, but we welcome you into our gathering.

Please join us in worshipping God as we sing, pray and read the Bible. We also share communion each Sunday remembering the sacrifice of Jesus who gave himself to die for our sins. If you wish to partake with us, you are free to do so.

We hold the Bible to be God's inspired message for us and hold it in highest esteem.

If a question comes to mind, please ask it. We will try to help you find answers from God. If you would like to request a special prayer, please let us know.

Seven Guidelines to Profitable Bible Study

Profitable Bible study involves more than just opening to a chapter and reading the words on the pages. The following are seven guidelines to help us make the most of our study of God's word:

- Set aside a regular time — Unless we schedule a specific and uninterrupted time for Bible study, we will more than likely neglect Bible study.
- Before we start reading — Let's ask God for help in understanding the text.
- Carefully think about what we are reading — Not all of the Bible's treasures lie like pebbles on the surface. To mine the gold, we have to dig.
- Seek to understand what the author was communicating to the people who first read the book or letter before we decide how to properly apply it today.
- Write down at least one truth or principle we can put into everyday practice.
- Try different translations of the Bible — If we find ourselves skimming over familiar words, a new translation might focus our mind on a passage in a new way.
- Let's not get discouraged — Some parts of the Bible are more interesting than others, and some we may not understand immediately. But there's enough that we can understand, revolutionizing our life if we apply it.

Let's read Proverbs 2:1-9 with the above guidelines in mind. Then try studying again tomorrow, remembering that the Bible's treasures are found by those who dig for them.

*When reading God's Word, take special care
To find the rich treasures hidden there;
Give thought to each line, each precept clear,
Then practice it well with godly fear. —Anonymous*

Ruth Zimmerman's Newsletter is in the foyer. Feel free to take and read it. If you would like a copy emailed to you each time it's published, please let Art know.

New Steps at Entrance: The contractor has said new concrete steps aren't a good option as costly footings would be needed. We can build them with metal stringers, pressure treated treads (similar to the back stairs) and aluminum railings for about \$850.

Ruby expects to begin having shots in her left eye shortly to treat macular degeneration.

Camp Omagh Logo: We will have opportunity to identify our choice for a new logo for Camp Omagh today.
